Biyografi

Dr. Mehmet Siddik Cadirci is an accomplished academic and researcher in the field of statistics, currently serving as an Assistant Professor at Cumhuriyet University, Turkey. He completed his Ph.D. at Cardiff University, focusing on entropy-based goodness-of-fit tests for multivariate distributions. Dr. Cadirci's expertise spans a range of statistical applications, including regression analysis, data analysis, statistical experiment design, and probability. He has contributed to the academic community through various roles at Cardiff University and has published several notable papers on statistical topics. Additionally, he possesses strong skills in programming languages such as Python, R, and SQL, and is proficient in both English and Turkish.

Eğitim Bilgileri

Doktora, University of Wales, Cardiff, Science Faculty, Department of Mathematics and Statistics, İngiltere 2018 - 2022
Yüksek Lisans, Fırat Üniversitesi, Faculty of Science, Department of Mathematics, Türkiye 2013 - 2018
Yüksek Lisans, The University of Sussex, Science Faculty, Department of Statistics and Math, İngiltere 2016 - 2017
Lisans, Van Yüzüncü Yıl Üniversitesi, Fen Fakültesi, Türkiye 2007 - 2011
